OOPS
In Real Life

Encapsulation

A college can have many departments like CS Department, Accounts Department, etc.

All these departments together makes a college.

Inheritance

The cats can have same color, same size, same name.

But they are not same they are identical.

Abstraction

With a laptop you can do many things like play games, watch movies, editing, etc.

It doesn't show the inside proces of how its doing the things. Implementation parts are hidden.

Polymorphism

A man can be many things father, writer, student etc.

Same person can have different roles.
